WHAT: 2047 Productions is casting our new film noir short film: "The Unwitting Victim"

SHOOTING DATES: May 16-22, 2022, Richland, WA

LOGLINE: "A hardboiled detective is asked to help solve a very unusual murder that involves a beautiful woman and the glamorous world of the theatre."

SEEKING:

- HELEN ROSS: late 20's to mid-30s. Attractive stage actress reminiscent of Lauren Bacall, Rita Hayworth, Lena Horne, Rita Moreno and Ava Gardner.
- PEGGY: 20s-50's. Secretary. She's loyal and dedicated while not extremely efficient.
- WILLIAM SPECTRE: 40's. Detective. He's worked hard but never gotten the right breaks.
- CAPT. DEVLIN: 50's. Hard-boiled policeman that's seen it all and chews on a cigar as he talks.
- STAGEHAND: 20's-50's. The stagehand is "everyman" who fades into the background.
- JAMES RUSSELL: 30s. Actor. Tall and good-looking but arrogant and self-important.
- LINDA LANE: 20s. Helen's Understudy. Nice looking but knows it. She wants to be a star.
- ANTON SCHMIDT: 50's. The Director. A self-important snob with little tolerance for others. The play and his role as director is the most important thing.
- ROSE: 50's-60's. Costumer. A bit matronly but you can tell she was a beauty in her day.
